September 2025

✦ LITTLE ASSETS KEW

Here's what has happened in the last month and what's to come!

Welcome to our September Newsletter!

August was a wonderfully busy month for us, and we are so excited to welcome September.

I would like to begin by inviting all families to celebrate Educators' Day. Educators are the heart of our centre—they show up every day and give their absolute best. On this special day, we want to express our appreciation for their dedication and hard work.

We are also thrilled to welcome our new Director, Dency Patel, who will be starting on Monday, 15/09/2025. She brings a wealth of knowledge and experience in early childhood education and centre management.

I hope this month will be a fun and rewarding one for all of us!

Warm regards,
Meg Megawati
Acting Centre Director

Dear Families,
August was a month filled with excitement, learning, and creativity as we celebrated National Science Week, where the children explored experiments and discovered the wonders of science, followed by the magic of storytelling during Book Week, with fun dress-ups and reading adventures. We also focused on healthy habits during Dental Health Week, learning the importance of brushing, healthy eating, and regular check-ups. As we look ahead to September, we are thrilled to be hosting our **Father's Day** celebration, inviting all our superheroes (dads, granddads, and special father figure) for a fun-filled day of activities and appreciation. We'll also be celebrating **Educators' Day**, a special opportunity to thank our wonderful educators for their dedication, passion, and care they bring each day. In addition, we'll take time to reflect on the importance of mental health and connection during **R U OK? Day**, encouraging everyone to check in, be kind, and support one another through meaningful conversations.

Regards,
Dikshya Manandhar
Educational Leader

IT IS A NATIONAL DAY OF AWARENESS FOR MENTAL HEALTH AND A REMINDER TO LOOK OUT FOR EACH OTHER, OUR FAMILIES AND CHILDREN. IT IS ALSO PERTINENT FOR OUR FRIENDS AND LOVED ONES OUTSIDE OF WORK. MENTAL HEALTH IS AN INCREASINGLY IMPORTANT TOPIC. MANY PEOPLE SUFFER SILENTLY, ASHAMED OR AFRAID TO SEEK HELP. BY STARTING CONVERSATIONS AND CHECKING IN ON OUR LOVED ONES, WE CAN CREATE AN ATMOSPHERE OF EMPATHY AND UNDERSTANDING. INITIATING A CONVERSATION ABOUT MENTAL HEALTH CAN BE UNCOMFORTABLE AND EVEN INTIMIDATING, BUT IT IS A NECESSARY STEP TOWARDS CREATING A SUPPORTIVE AND CARING SOCIETY. EVERYONE DESERVES TO BE HEARD AND SUPPORTED, REGARDLESS OF AGE.

IT'S A UNIQUE MOMENT WHEN WE PAUSE TO HONOR OUR EDUCATORS WHO DEDICATE THEIR TIME AND ENERGY TO RAISING AND EDUCATING THE CHILDREN. THANK YOU TO ALL THE EDUCATORS, WE APPRECIATE EVERYTHING YOU DO!
